APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the 0.01 cubic-foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.01 cubic foot per second.

Actual construction work shall begin on or before December 28, 1957.

Proof of commencement of work shall be filed before January 28, 1958.

Work must be prosecuted with reasonable diligence and be completed on or before December 28, 1958.

Proof of completion of work shall be filed before January 28, 1959.

Application of water to beneficial use shall be made on or before December 28, 1958.

Proof of the application of water to beneficial use must be filed with State Engineer on or before January 28, 1959.

WITNESS MY HAND AND SEAL this 28th day

Filed Mar 19 1957

Proof of commencement of work filed Oct 9 1957 of June 1957.

PROOF OF BENEFICIAL USE FILED OCT 9 1957
